

CARBON FIBER INSPIRATION

TRI-MOUNTAIN RACEWEAR

1730 CF-1

A lightweight, hooded, windproof and water resistant jacket. The carbon fiber mini-grid design is a nod to the racing scene that inspired this style and others in our TMR brand.

At Tri-Mountain, we want to move you forward with your customers. Let us handle your imprint needs with Worry-Free Embroidery® and Heat Transfer services. Our excellent customer service and sales teams make sure you get exactly what you need. When you want outerwear, racewear or automotive apparel, WE FIT YOU.™
