### bedside manner

365 Wholesale's iHome Bluetooth Bedside Dual Alarm Clock with USB Charging and Line-in features a USB port for charging mobile devices, dual alarms with a dedicated alarm time display, and Bluetooth and universal 3.5 mm stereo connections for cranking House of Pain's "Jump Around" at 6 a.m. (It's the only thing that actually gets us out of bed.) The dock has three imprint areas and comes in black only. (877) 834-4389

### bowl 'em over

If you've ever thought, "Froot Loops are the greatest food ever—how can I get away with serving them at a formal dinner party?" then the Crystalline Bowl 5" W from Crystal D is for you. But even if you've never thought that, the bowl still works great as an award. It's made from crystal, measures 5x3x5" and has a 3x2" decoration area. (800) 544-1131

### spacing out

The Bullet Grip Space Pen with Capacitive Stylus from Fisher Space Pen Co. features a medium-point black ink cartridge and has a matte black finish with chrome accents. The stylus pen works in temperatures as high as 250 degrees and as low as minus-30 degrees (matching exactly the yearly temperature extremes in Philadelphia). The pen comes in a gift box and sleeve.
