POWER MEETINGS

AUSTIN, TX

May 20-22 | Mon. - Wed.

CHICAGO, IL

Sept. 23-25 | Mon. - Wed.

The **Print & Promo Marketing Power Meetings** remain the gold standard in industry relationship-building events. This year we've changed the Power Meetings core events to two days of one-on-one meetings. We provide a networking experience that trade shows and other events simply can't match, giving supplier sales leaders and top print and promotional distributors a chance to talk projects, find new products and solve business challenges. Plus, group outings, fine dining and upscale resorts in destination cities offer more opportunities to make personal connections that last long after the event is over.

"Promo Marketing Power Meetings far exceed both supplier and distributor expectations. Their team vets every distributor, making for productive one on one meetings. These meetings build new and long term business relationships. The staff, venues, and outside activities further assist in the networking opportunities during these meetings. We find these meetings to be very productive and will continue to attend."

– Rhonda Reilly, Pilot Pen.
