

To All Attendees,

Due to incredible demand, we will be extending daily meeting times to 7PM (EST) starting with tomorrow's meetings on 8/26. Now you will be able to accept and schedule meetings from 11AM (EST) to 7PM (EST) throughout the rest of the event days. We hope this gives you additional flexibility for your meetings!

Please note that this is completely optional, you do not have to take meetings outside of the original event times (11AM-3PM EST). This will not affect any meetings you already have scheduled.

The expanded daily meeting times are also to help accommodate anyone that may be affected by the upcoming storms in the southern part of the country. To our friends in Texas, Louisiana and the surrounding areas in the storm's path, please stay safe.

Sending all our best,

The Back to Business Events Team

P.S.
