## SHOWING UP BUILDS TRUST | TRUST BUILDS RELATIONSHIPS | RELATIONSHIPS BUILD YOUR BUSINESS

This year, our Distributor Connect events and Power Meetings events are combining to better fit our business model of convergence in the print and promo industry. We are very excited to announce we will combine forces as there are a ton of overlap on both the distributor and supplier sides in our sister brands.

With the industry constantly evolving and print distributors selling more promo and the promo distributors selling more print, we have realized that this is the next evolution of our Power Meeting events.

In 2023, we are thrilled to announce that we will be adding an extra day to the events and increasing the number of distributor meetings (32-25).
